Good Shepherd Program for children ages 4 – 5

Wednesday – 1:15 to 2:15 PM

Please enroll early if you must have a particular time and day you require. Registrations are entered as they are received in mail or in person. We will be unable, for safety reasons, to enroll more than 14 students in any of the K through 5 classes that are being offered.

The class times for the Monday, Wednesday, and Thursday afternoon classes are governed by the Byram Hills class dismissal schedules and will be adjusted if necessary. Classroom experiences have made us realize that the 6th, 7th, and 8th grade students physically need more classroom space in order to have a comfortable learning environment. With this in mind, we will be limiting class size for these grades to 12 students. We are offering more class times for grades 6,7,8 to accomplish this goal.

Thank you for your cooperation with early enrollment!

****This year we are hoping to get many volunteers to cover these time spots as aides, substitutes, hall monitors and office help. This present year we have been “scrambling,” at times, to fill in for those who were absent. This is not a good situation because it leaves us short-handed in handling ALL situations that may arise; both big and small.**
